The Financial Intelligence Centre (the Centre) provides the guidance contained in this Public Compliance Communication (PCC) in terms of its statutory function in terms of section 4(c) of the Financial Intelligence Centre Act No, 2001, as amended (the FIC Act), read together with Regulation 28 of the Money Laundering and Terrorist Financing Control Regulations (the Regulations) issued in terms of the FIC Act.

Section 4(c) of the FIC Act empowers the Centre to provide guidance in relation to a number of matters concerning compliance with the obligations of the FIC Act. Guidance provided by the Centre is the only form of guidance formally recognised in terms of the FIC Act and the Regulations issued under the FIC Act. Guidance provided by the Centre is authoritative in nature. An accountable institution must comply with guidance issued by the Centre, or explain the reasons for non-compliance if prompted by the Centre. It is important to note that enforcement action may emanate as a result of non-compliance with the FIC Act where it is found that there has been non-compliance with the guidance issued by the Centre.
PCC Summary

Accountable institutions are required to implement processes and procedures that will govern the manner in which the accountable institution will comply with its obligations as set out in the FIC Act. Internal rules must conform to the requirements as set out in Regulations 25, 26 and 27 of the Regulations.

The absence of, and or the failure of certain controls/processes and working methods contained in the internal rules of an accountable institution can imply that there is a failure by the institution to formulate and implement internal rules in terms of section 42 of the FIC Act and may lead to administrative sanctions being issued against the accountable institution.

Objective

The objective of this PCC is to provide the Centre’s view on the failure of controls, processes and working methods of an accountable institution in relation to the formulation and implementation of internal rules as required by section 42 of the FIC Act.
1. **Introduction**

1.1 Section 42 of the FIC Act requires that an accountable institution must formulate and implement internal rules. The internal rules provide for the processes to be followed by an accountable institution to comply with the requirements of the FIC Act.

1.2 Regulation 25, 26 and 27 of the Regulations provides details that must be contained in the internal rules which should at a minimum set out the following:

- processes, procedures and control measures relating to client acceptance processes and procedures;
- client and transaction monitoring;
- the record keeping function;
- the reporting requirements; and
- the responsibility of the management of the institution in respect of compliance with the FIC Act, the Regulations, and the internal rules.

2. **Failure of processes, working methods and controls**

2.1 The Regulations 25, 26 and 27 provide for certain processes and working methods to comply with the compliance obligations in the FIC Act.

2.2 Examples include:

- Provide for the necessary processes and working methods which will cause the required particulars concerning the identities of the parties to a business relationship or single transaction to be obtained on each occasion when a business relationship is established or a single transaction is concluded with the institution (regulation 25(a));
- Provide for steps to be taken by the relevant staff members aimed at the verification of the required particulars concerning the identities of the parties to a business relationship or single transaction (regulation 25(b));
• Provide for the necessary processes and working methods to ensure that the relevant staff members of the institution obtain the information of which record must be kept on each occasion when a business relationship is established or a transaction is concluded with the institution (Regulation 26(a));

• Provide for the necessary processes and working methods to ensure that the accuracy and the integrity of records are maintained for the entire period for which they must be kept (Regulation 26(e));

• Provide for the necessary processes and working methods to ensure that the access as may be required or authorised under the FIC Act by the relevant staff members to those records can be obtained without undue hindrance (Regulation 26(f));

• Provide for the necessary processes and working methods which will cause suspicious and unusual transactions to be reported without undue delay (Regulation 27(a));

• Provide for the necessary processes and working methods to enable staff to recognise potentially suspicious and unusual transactions or series of transactions (Regulation 27(b)).

2.3 In terms of section 45(1A) of the FIC Act, every supervisory body is responsible for supervising and enforcing compliance with the FIC Act by accountable institutions. In meeting this obligation, section 45B details that a supervisory body may undertake inspections at the premises of the accountable institution to this end.

2.4 Inspections conducted by the supervisory bodies may include the testing of the controls/processes and working methods as contained in the accountable institution’s internal rules against the implementation thereof by the accountable institution.
2.5 The absence of, or the failure of certain controls/processes and working methods contained in the internal rules of an accountable institution can imply that there is a failure by the accountable institution to formulate and/or implement internal rules in terms of section 42 of the FIC Act.

2.6 Failure in terms of section 42 of the FIC Act may lead to administrative sanctions as defined in section 45C of the FIC Act.

3. Conclusion
The absence of, and or the failure of certain controls/processes and working methods contained in the internal rules of an institution can imply that there is a failure by the accountable institution to formulate and implement internal rules in terms of section 42 of the FIC Act and may lead to administrative sanctions being issued against the accountable institution.

45C Administrative sanctions

(1) The Centre or a supervisory body may impose an administrative sanction on any accountable institution, reporting institution or other person to whom this Act applies when satisfied on available facts and information that the institution or person—
(a) has failed to comply with a provision of this Act or any order, determination or directive made in terms of this Act;
(b) has failed to comply with a condition of a licence, registration, approval or authorisation issued or amended in accordance with section 45(1B)(V);
(c) has failed to comply with a directive issued in terms section 34(1) or 43A(3); or
(d) has failed to comply with a non-financial administrative sanction imposed in terms of this section.

(2) When determining an appropriate administrative sanction, the Centre or the supervisory body must consider the following factors:
(a) The nature, duration, seriousness and extent of the relevant noncompliance;
(b) whether the institution or person has previously failed to comply with any law;
(c) any remedial steps taken by the institution or person to prevent a recurrence of the non-compliance;
(d) any steps taken or to be taken against the institution or person by—
   (i) another supervisory body; or

(b) direct that a financial penalty must be paid by a natural person or persons for whose actions the relevant institution is accountable in law, if that person or persons was or were personally responsible for the non-compliance;
(c) suspend any part of an administrative sanction on any condition the Centre or the supervisory body deems appropriate for a period not exceeding five years.

(5) Before imposing an administrative sanction, the Centre or supervisory body must give the institution or person reasonable notice in writing—
(a) of the nature of the alleged non-compliance:
(b) of the intention to impose an administrative sanction;

(8) An administrative sanction contemplated in this section may not be imposed if the respondent has been charged with a criminal offence in respect of the same set of facts.

(9) If a court assesses the penalty to be imposed on a person convicted of an offence in terms of this Act, the court must take into account any administrative sanction imposed under this section in respect of the same set of facts.

(10) An administrative sanction imposed in terms of this Act does not constitute a previous conviction as contemplated in Chapter 27 of the Criminal Procedure Act. 1977 (Act No. 51 of 1977).

(11) Unless the Director or supervisory body is of the opinion that there are exceptional circumstances present that justify the preservation of the confidentiality of a decision the Director or supervisory body must make public the decision and the nature of any sanction imposed if—

(a) an institution or person does not appeal against a decision of the Centre or supervisory body within the required period; or
(b) the appeal board confirms the decision of the Centre or supervisory body.
