AMENDED SECTOR RISK ASSESSMENT FOR THE LEGAL PRACTITIONERS' SECTOR

Tuesday, 26 March 2024: The Financial Intelligence Centre (FIC) has issued in March 2022, a risk assessment report for the legal practitioners sector. This sector risk assessment has now been updated, *inter alia*, to reflect the latest available statistics relating to the sector.

The sector risk assessment for the legal practitioners' sector provides information on the money laundering and terrorist financing risks facing institutions in this sector when conducting business. The sector risk assessment serves to assist such institutions in understanding their money laundering and terrorist financing risks.
