QUESTIONS AND ANSWERS

NO.	QUESTIONS	RESPONSE
1	What was the reason for the cancellation and re-issue of the tender?	<ul style="list-style-type: none">The cancellation was due to non-responsive bids received. This means that all service providers who submitted responses either did not meet the required minimum response (mandatory) requirements or functionality evaluation threshold (gate 1) to qualify further evaluations. Bidders are encouraged to read and understand the evaluation criteria and respond accordingly.
2	In the pricing schedule there's no space for other services, are we allowed to add an addendum, it's an additional page on our company letterhead?	<ul style="list-style-type: none">Bidders need to price/quote per the provided schedule. However, are welcome to provide optional pricing separately to the schedule. The additional services and pricing will not be used in the price comparison during the evaluation process; thus, price evaluation will be done based on requirements stated by the FIC in the pricing schedule template.
3	On line No. 37 on the pricing schedule, are we able to put our forex pricing in terms of the percentage rather than the Rand value?	<ul style="list-style-type: none">Please price in Rand value as per the pricing schedule provided.
